

TRANSKEY DEDICATED FLEET PARTNERSHIP

STABLE WORK. LOWER COSTS. STRONGER BUSINESS.

We partner with quality transport operators to build long-term, mutually beneficial relationships that drive profitability, growth and operational excellence.

WHY PARTNER WITH TRANSKEY?

- ✓ Preferential load allocation across a large, diversified customer base
- ✓ High utilization with minimal idle time
- ✓ Lower cost base and better margins
- ✓ Reliable, on-time payments for healthy cashflow
- ✓ Technology, systems and 24/7 support
- ✓ A 5-year partnership built for growth

THE BENEFITS OF PARTNERING WITH TRANSKEY

DISCOUNTED DIESEL THAT IMPROVES YOUR MARGINS

- Access to Pindulo depots at below grid pricing
- Diesel offset directly from transport earnings

ON-TIME PAYMENTS FOR BETTER CASHFLOW

- Structured, reliable payment cycles
- Less admin, faster cash into your business

CONSISTENT WORK THROUGH PREFERENTIAL ALLOCATION

- Priority access to loads ahead of ad-hoc providers
- Central planning across our large customer base

LOWER OVERALL OPERATING COSTS

- Tyre management expertise to reduce CPK
- Preferred tyre pricing through Pindulo (optional)
- Workshop network access for maintenance support
- Insurance benchmarking and cost advisory

STATE-OF-THE-ART TMS AT YOUR FINGERTIPS

- Live tracking and visibility
- Load allocation and execution management
- Performance insights to help you run a more efficient fleet

24/7 OPERATIONAL CONTROL TOWER

- Continuous monitoring of your vehicles
- Proactive exception management
- Faster issue resolution and less downtime

DRIVER TRAINING THAT REDUCES RISK

- Access to Pindulo's driver training programme
- Focus on safety, fuel efficiency and fatigue management
- Fewer incidents, lower costs

A PARTNERSHIP BUILT FOR GROWTH

- 5-year partnership for stability
- Support with financial modelling and growth planning
- Scale your fleet with confidence

**YOU STAY INDEPENDENT.
WE PROVIDE THE ADVANTAGE.**

You run your business.
We provide the network, systems and support
to help you run it more profitably.

BETTER COSTS. BETTER CASHFLOW. BETTER UTILISATION. BETTER BUSINESS.

Let's build a **stronger future** together.
